FEBRUARY

Dance Day

Orchesis hosted their annual Dance Day on February 9th! Dance day participants were paired with Orchesis members and learned an upbeat routine throughout the day! After working hard and playing many games, the participants were able to perform the routine for family and friends in the PAC. Orchesis had a great time with everyone and hope to see you all next year!

Videos from the performance will be posted on the Orchesis Website later this month

Chinese New Year Performance

On February 9th, ODC had their first outside performance of the semester at the AHS Chinese Parent Booster's annual Chinese New Year Celebration! This is one of our favorite events of the year and we always enjoy performing for such a supportive audience. A BIG Thank you to the Booster Club for inviting us to celebrate with you!!

Beyond U

To promote courses related to Arcadia High School's career technical education program (CTE), Orchesis performed at the second annual CTE night! This performance was the perfect way for us to showcase all the skills and training we've received from the dance program. Orchesis opened the event, and some members even provided tours of all the CTE classrooms. It was so great to share all of our positive experiences with future students and give them more information about the amazing things we do. We look forward to performing at many more successful CTE nights in the future!

Movie Night

To officially kick off show season and spend some quality time with each other, Orchesis had a Movie Night on February 22nd! Everyone had a great time hanging out, eating, and relaxing!

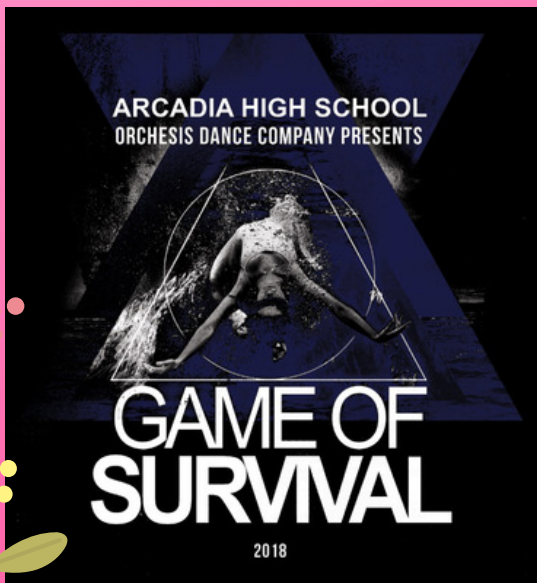

Member of the Month

Congratulations to our very own Sophia Hayek for earning Member of the Month! She started dancing at 10 years old and her favorite style of dance is modern. Sophia loves to dance because it keeps her in shape and allows her to enjoy the experience alongside her best friends. In her free time, she likes to eat and pet dogs. We are so proud of her for working truly beyond her limits, no matter how challenging it can be at times. Thank you for setting a wonderful example for the company!

T-Shirt Sales

The annual Orchesis Spring Production T-shirt sales are officially underway!! Orchesis members will be selling shirts until Friday, March 22. T-shirts come in unisex sizes and are \$16. All proceeds from the sale will go towards purchasing production t-shirts for our wonderful Backstage Crew Members! Our crew members will be with us everyday as we start to prepare for the spring production and are extremely integral in the success of our show!! Please be sure to get your T-shirts!!!
